Dear Commissioners:

Pursuant to your instructions and in compliance with the statutory requirements of the State of Alabama and the resolutions adopted by the National Association of Insurance Commissioners, a limited scope financial examination as of December 31, 2004, has been made of

**ALFA GENERAL INSURANCE CORPORATION**

The report of examination is submitted herewith. Where the description "Company" or "AGI" appears herein, without qualification, it will be understood to indicate Alfa General Insurance Corporation.

## **SCOPE OF EXAMINATION**

This examination reported herein covers the period ending December 31, 2004, and has been conducted by actuarial examiners representing the Alabama Department of Insurance. The Company's insurance affiliates (six property and casualty companies) have been examined concurrently with the examination of the Company. Events subsequent to December 31, 2004, have been reviewed as required and are reported herein as deemed appropriate.

The Company has been examined in accordance with the statutory requirements of the Alabama Insurance Code and the regulations and bulletins of the Alabama Department of Insurance; in accordance with the applicable guidelines and procedures of the NAIC; and in accordance with generally accepted actuarial standards.

The examination included a limited scope review of the Company and its affiliated insurance companies' loss and loss expense reserves in their 12/31/2004 Statutory Annual Statement. A review of the Company's reinsurance protection for catastrophic losses and recently implemented plan to reduce its hurricane catastrophe exposure was also conducted. This limited review included a review of the Company's compliance with statutes and regulations regarding loss and loss adjustment expenses.

Within this report, discussion of the Company's accounts has been confined to those reserve items for which comments and/or recommendations have been made.

## **ORGANIZATION AND HISTORY**

The Company was incorporated on December 8, 1982 as a wholly-owned subsidiary of Federated Guaranty Life Insurance Company (currently Alfa Life Insurance Corporation (ALI)). The original name of the Company was Federated Guaranty General Insurance Corporation, Inc.

On January 4, 1983, the holding company now named Alfa Corporation was incorporated in Delaware under the name, Federated Guaranty Corporation. At that time, the stock of the Company, as well as that of its parent, ALI, was contributed to Alfa Corporation.

Effective May 1, 1987, the Alabama Farm Bureau Federation withdrew from the national Farm Bureau Federation, of which it was a franchise member, and changed its name to Alabama Farmers Federation. The name of the Company was changed to Alfa General Insurance Corporation.

During the interim from the Company's organization through 1987, the Company became affiliated with four other property and casualty insurers. In 1987, a reinsurance pooling agreement was formed between these five affiliates. The terms of the agreement provide that all direct business of the affiliates will be ceded to Alfa Mutual Insurance Company (AMI). The pooled business is then retroceded according to percentages provided in the pooling agreement. In 1989, an intercompany reinsurance pooling committee, representing the boards of directors of the reinsurance pool participants, was established. This committee is responsible for reviewing

and approving any changes to the pooling agreement, to assure that transactions are fair and equitable to all pool participants, and to monitor potential or actual conflicts of interest between pool participants.

In 1999, Alfa Specialty Insurance Corporation (ASI) was organized as a stock company, wholly-owned by AMI. ASI became a participant in the reinsurance pooling agreement in 2001.

The Company commenced business with \$700,000 of paid up capital and \$1,050,000 of paid in surplus, derived from the sale of 700,000 shares of \$1.00 par value capital stock for a price of \$2.50 per share. On December 6, 1988, Alfa Corporation made a surplus contribution to the Company, in the amount of \$28,053,218. The Company then repaid \$14,000,000 in surplus notes and transferred \$800,000 to its capital account. This resulted in \$1,500,000 paid up capital and \$28,303,218 paid in surplus at that time. There have been no further changes in the Company's capital structure through the date of this examination.

## **REINSURANCE**

### **Intercompany Reinsurance Pooling Agreement**

This agreement was effective August 1, 1987, between Alfa Mutual Insurance (AMI) and its affiliates: Alfa Mutual Fire Insurance Company (AMF); Alfa Mutual General Insurance Company (AMG); Alfa Insurance Corporation (AIC); and, Alfa General Insurance Corporation (AGI). Alfa Specialty Insurance Corporation (ASI), incorporated in 1999, was added to the pool in 2001. These participants in the pooling agreement will be referred to as "the affiliates" for the remainder of this discussion. This reinsurance pooling agreement was filed with the Alabama Department of Insurance on July 29, 1987, and was subsequently approved.

Per Note 26 to Financial Statements, the affiliates cede 100% of the net liabilities for net premiums written and the Company retains or retrocedes the pooled business in accordance with the following percentages:

Company	8/1/1987 Pool 1	10/1/1994 Pool 2	10/1/1996 Pool 3	1/1/2001 Pool 4
AMI	32.0%	24.0%	32.0%	18.0%
AMF	15.0%	8.0%	0.0%	13.0%
AMG	3.0%	3.0%	3.0%	3.0%
AGI	25.0%	32.5%	32.5%	32.5%
AIC	25.0%	32.5%	32.5%	32.5%
ASI	0.0%	0.0%	0.0%	1.0%

### **Reinsurance Assumed**

In addition to business assumed through the intercompany pooling agreement, the Company assumed reinsurance from four mandatory reinsurance pools: Georgia Commercial Insurance Procedure, Georgia Underwriting Association, Mississippi Commercial Insurance Procedure, Mississippi Underwriting Association. At December 31, 2004, the Company's liabilities that resulted from participation in these pools were insignificant in amount.

### **Reinsurance Ceded**

As of December 31, 2004, the Company had ceded reinsurance under one reinsurance agreement with an unaffiliated company outside of the intercompany pooling arrangement. Ceded reserves related to General Reinsurance Corporation at December 31, 2004 were insignificant in amount.

### **Catastrophe Reinsurance Protection and Recently Implemented Plan to Reduce Hurricane Exposure**

We have reviewed the Company's reinsurance protection for catastrophes and its recently implemented plan to reduce its exposure to severe hurricanes. We have concluded that the combination of the reinsurance protection and plan to reduce its catastrophe exposure is sufficient to protect its financial solvency.

In Alfa Group's catastrophe program, the allocation percentages for catastrophes are reviewed annually and changed if required. The current catastrophe losses are allocated as follows:

Effective January 1, 2003 – December 31, 2003

Range	AMI	AMF	AMG	AIC	AGI	ASI
\$0 to \$12,125,000	18.00%	13.00%	3.00%	32.50%	32.50%	1.00%
\$12,125,001 to \$301,500,000	51.40%	37.10%	8.60%	0.00%	0.00%	2.90%
\$301,500,001+	43.20%	35.00%	3.00%	9.00%	9.00%	0.80%

Effective January 1, 2004 – December 31, 2004

Range	AMI	AMF	AMG	AIC	AGI	ASI
\$0 to \$14,200,000	18.00%	13.00%	3.00%	32.50%	32.50%	1.00%
\$14,200,001 to \$352,000,000	51.40%	37.10%	8.60%	0.00%	0.00%	2.90%
\$352,000,001+	44.18%	34.36%	2.93%	8.89%	8.89%	0.75%

### **STATEMENT OF LIABILITIES, SURPLUS, AND OTHER FUNDS**

Reserve for Unpaid Losses	<u>\$66,521,338</u>
Reserve for Unpaid Loss Adjustment Expenses	<u>\$13,940,938</u>
Reserve for Unpaid Losses – Direct and Assumed	<u>\$68,147,000</u>
Reserve for Unpaid Loss Adjustment Expenses – Direct and Assumed	<u>\$13,941,000</u>

Based on our review of the support for the amounts carried by the Company on these lines, we believe these amounts:

- A. Meet the requirements of the insurance laws of Alabama;
- B. Are computed in accordance with accepted loss reserving standards and principles; and,
- C. Make a reasonable provision for all unpaid loss and loss expense obligations of the Company under the terms of its contracts and agreements.

The Company makes a practice of carrying reserves in excess of both the Appointed Actuary's and Company employed actuary's indications. Based on our review, we believe that the amount by which the Company carries reserves in excess of supported indications is not material.

#### **Reserves for losses related to Hurricane Ivan Catastrophe**

We reviewed the reserves carried by the Company as of 12/31/04 related to Hurricane Ivan and believe that they will ultimately prove to be sufficient to cover all related losses. Additionally, based on our review of the Company's reserves and financial position, any potential adverse development related to the storm will not be material to the Company's financial position.

We have reviewed the Company's recent plan to mitigate its exposure to severe hurricanes. We believe that the Company's reinsurance program and plan to mitigate its exposure to severe hurricanes is sufficient to protect the Company from any reasonable foreseeable hurricanes.

#### **Premium Deficiency Reserves**

We have reviewed the premium deficiency reserves carried by the Company per Note 30 to Financial Statements. Per this note, the Company carries \$0 before intercompany pooling and \$0 after pooling. In our opinion, this does not constitute a material examination issue.

### **COMPLIANCE WITH PREVIOUS RECOMMENDATIONS**

It appeared that the Company had complied with all reserve related recommendations in the examination report as of December 31, 2001.

### **COMMENTS AND RECOMMENDATIONS**

We have no recommendations related to the Company's carried reserves as of December 31, 2004 or related to the Company's catastrophe reinsurance and catastrophe mitigation plan.

We do recommend that the Appointed Actuary provide the report supporting his Statement of Actuarial Opinion by May 1 per the 2004 NAIC Annual Statement Instructions.
